

HS Codes / Product Codes / CA/SC Codes

This document lists the appropriate codes that importers should declare when applying for an import permit via TradeNet to import power-assisted bicycles (PABs) and motorised personal mobility devices (PMDs) into Singapore.

- [HS Code / Product Code](#) (for all applications)
- [CA/SC Code 1](#) (for non-compliant devices)

HS Code / Product Code

Please fill in the “HS Code” and “Product Code” fields according to the following table:
